MBA (FEM): Learning Objective

Primary objective of MBA (FEM) is to familiarise the students with all the core business management functions in detail. Also, to learn how to specifically apply the principles, concepts, theories, procedures, plans, techniques, tools, standards, regulations, good management practices, etc in the various businesses of fisheries, aquaculture and allied sectors at enterprises level.

Industry Interface

Job Opportunities

Aqua Farming
Hatchery
Feed Manufacturing & Marketing
Seafood Processing & Export
Deep Sea Fishing
Organized Seafood Retailing
Ornamental Breeding, Farming, Trading & Export
Fishing Gear & Craft Units
Laboratory Services & many more...

ADVANTAGE

This MBA program is designed with more real time approach so as to suit future executives and managers who intend to serve the organizations and industries engaged in commercial or non-commercial activities of Fisheries and Aquaculture in India or in any part of the World, irrespective of their academic background.

This Program will definitely give an edge in managing the Fisheries and Aquaculture businesses by optimal utilization of organizational resources with the enhanced entrepreneurial skills

INDUSTRIAL NEEDS FOR QUALIFIED BUSINESS MANAGERS

Scale and the format of business in Indian Fisheries Industry is in the fast changing phase from "unorganized" to "organizing or partially organized" industrial outlook. Fishing & aquaculture industry made up over 1.1 trillion Indian Rupees in Gross Valued Added to agriculture across India in the fiscal year 2017.

In this scenario, the development of "Knowledge Management" in the Fisheries Industry is very important not only from the aspects of "Technology and / or Technological Management" but also from the management of Fisheries Businesses. Hence, the need of the formal educational program in management of Fisheries Business or entities is vital in order to support the Industry by generating well trained Business Managers, Entrepreuners and Business Leaders in the **Business Education** as well as in the **Best Business Management Practices (BBMP).**
